Dear Sir/Madam,

Call for Abstract: Annual Awards for the Most Outstanding Undergraduate Energy Research 2024 - Sri Lanka Energy Managers Association

Sri Lanka Energy Managers Association (SLEMA) was founded in 1984 in view of the promotion of efficiency and rational use of energy in Sri Lanka, and was incorporated by an Act of Parliament in 1994. It is the pioneering organization in the field of energy efficiency in Sri Lanka where the energy management fraternity is linked through SLEMA, making it the common forum for the energy managers to share their experiences and expertise.

With the aim to recognize and stimulate the research of young undergraduates in the domain of energy in the local higher educational institutes, SLEMA has established a scheme of recognition by way of annual awards envisaging in presenting 3 annual awards to the best undergraduate students' research projects carried out in the field of Energy.

The Following elements are brought to your kind notice related to the said awards:

1. The Winner and Runners-up are expected to be awarded with cash prizes of Rs 40,000, 25,000 and 15,000. Further, the Winner, Runners-up and the next 12 outstanding research projects shall be presented with certificates. The selection of would be on a competitive basis on the merit of the research carried out.
2. Abstracts of 2 pages (A4 size) of the research in a field related to energy are requested for submission. At the time of submission at least one batch has to have completed final year projects from the university/higher education institute. The awards would be for the undergraduate research projects completed in their final year of the study program after the year 2022.
3. The number of entries is limited to 03 from a faculty and the submissions have to be made through the respective Dean of the Faculty (Head of College / School) on recommendation of the respective Head of the Department/ Internal Supervisor.
4. The deadline for submissions of applications shall be March 15, 2024. The researchers would also have a window to publish their energy related research in the open access SLEMA Journal.

You are kindly requested to encourage your students to participate in this competition with their research projects. Kindly arrange them to send the duly filled entries to members@slema.org by the deadline copying twickramarathna@yahoo.com. For further details, please feel free to contact us on 0112665737-8.

Sincerely,

Kamal Illeperuma
President
