Dear Sir/Madam,

## Scholarship Program for University Students - 2025

I am writing to you on behalf of The N U Jayawardena Charitable Trust, an organization dedicated to supporting university students in financial need to help them successfully complete their degrees.

The trust was established in honor of the late Mr. N U Jayawardena, the first Sri Lankan Governor of the Central Bank of Sri Lanka, whose legacy of commitment to education and empowerment inspires our mission.

We kindly request your support in circulating information about our scholarship program and the attached application form to eligible students within your university. Our aim is to reach those who demonstrate both academic potential and a genuine need for financial assistance.

We believe that with your support, we can identify deserving students who would benefit from our assistance. Once we receive the duly completed application form the Trustees will select the students for the part scholarship and will notify the students directly.

Thank you for your time and consideration. Together, we can make a significant difference in the lives of students who aspire to achieve their educational goals despite financial hardships.

Warm regards,

The N U Jayawardena Charitable Trust
