

# ASPIRE - SPECIAL SESSION

## AWARENESS ON IELTS PREPARATION

English language skills enhancement is a priority requirement for post graduate studies as well as employment overseas. IELTS is one of the major English language tests in the world for non-native English language speakers. It is accepted by more than 11,000 employers, universities, and schools around the world.

This test needs prior knowledge and practice to achieve good results. This session aims make students aware of the unique structure, and testing mechanisms of IELTS
