Dear Vice Chancellor

**MONTHLY SCHOLARSHIP PROGRAMME FOR UNIVERSITY STUDENTS**

The Mosvold-Martinus Foundation (MMF) was incorporated in 2014 for the primary objective of creating opportunity, value and dignity for children, youth and women. Since its inception, MMF is committed for the education and sustainable development of youth through improving employable skills.

In 2018, MMF initiated a monthly scholarship programme for those poor and vulnerable youth to continue with their higher education without being victims of economic hardships. So far, MMF has entered into partnerships with few universities and vocational training institutions in its efforts to provide financial strength for rural students who have the knack for a brighter future.

For the financial year starting from 01<sup>st</sup> April 2023, MMF is planning to allocate monthly scholarships for deserved students attached to few Universities in Sri Lanka. A deserved student will obtain a scholarship of Rs. 10,000/- per month for a period of 10 months during the financial year.

We are happy to inform you that Rajarata University too has been identified as one of our future partners for implementation of this scholarship programme. We would like to have your opinion on this matter and then initiate a discussion during which we can explain the modalities of our monthly scholarship programme.

Please inform the undersigned if you are willing to join us as a partner. Please use, Mobile : 077 – 74 11 185 or E-mail : nimal@mosvold.lk to contact the undersigned.

Thank you

Yours sincerely
